

## **Eucharistic Ministry**

Ministers are people who answer the call to serve. Some will need encouragement, but others will be ready and willing. As a Eucharistic Minister, you assist the priest in distributing the Body and Blood of Christ at Mass. You also take Our Lord to those who are homebound, hospitalized or in nursing homes. This ministry brings great joy and blessings not only to those who are served but to those who serve. If you think you would be interested in the ministry, contact our pastor, or when he asks those who are interested to apply, please do so. There are some requirements that will need to be investigated. Generally, an Extraordinary Minister of the Eucharist at St. John Neumann's is to be a Catholic in good standing, a faithful communicant, and a member of our parish with a desire to serve God. Applicants must be at least 21 years old. It helps to have an attitude of service and a desire to pray that will always be encouraged.

Call Parish Office at 884-1656, Ext. 302.
