

*From our Pastor, Father Soprano*

For the next several months a restored statue of the Blessed Mother will be able to be venerated at Saint John of God Church. It was donated by a member of the Parish in hopes that it could be restored; so heavily damaged had it become in an over-heated environment, that the paint blistered off. Mr. Dick King, our fortunate parishioner and patient artist, rendered her beautiful once again.

To mark the date, 26 August 2017, we blessed this image in memory of Tom Price, Jr. at whose funeral Mass this blessing took place. May this image of her Immaculate Conception foster devotion and respect to the Mother of Life, of Chastity, and Love.

Thank you personally, Mr. King, for this most outstanding image of Our Lady.

*Father Soprano*

P.S. At Christmas it shall be placed in Saint Raymond Church.
