**Christ is Born!
Glorify Him!**

The greatest feast days of our Faith cannot be contained in a single day. They stretch into a whole week of a single feast. Like Easter, Christmas is celebrated for eight (8) consecutive days, beginning with December 25th and ending on January 1st when we commemorate our Blessed Mother's role in salvation. In many countries, Christmas would extend not just to January but actually to January 6th with the celebration of Epiphany: this is where the "12 days of Christmas" comes from! So, after eight (8) days of Christmas how are you still celebrating? Are the lights still up and the carols still playing? If not physically, perhaps we can keep the light of Christ's birth shining in our hearts.

Merry Christmas!

Fr. King

I thank each of you who have wished me a Merry Christmas, who have dropped off baked goods at the rectory, sent cards, given gifts to Fr. Fritz and me, and have done so much to make this Christmas "merry and bright!" We have tried to respond individually where we can but know that we are grateful for all you have done!
