Glory to Jesus Christ!

Thank you to all who participated in the Family Fun Day at St. Raymond campus last weekend. We saw MANY families and especially many of our children playing and having a good time despite the HEAT. It was great to see so many of our young people enjoying themselves without their phones! We were able to raise almost \$6,000 to offset the costs of sending 19 of our young people to Camp Veritas. Fr. Cesar and I thank you!!!

An Update on the Air Conditioning at St. Raymond Church:

We began the project to replace the A/C at St. Raymond Last September. We were hoping to apply for a grant similar to the one for the St. John of God campus heating. After the inspections and paperwork over several months, our application was approved by Atlantic City Electric on April 11th. The new A/C unit was ordered from the York corporation on April 15th. However, York erred when ordering the curb for the 40-ton unit and had to re-fabricate the curb. This was not noticed until the unit was being shipped, and products of this size have much longer lead times. (Had that been discovered after lifting the old unit off, we would be looking at an even bigger issue for us. A hidden blessing!) So, we just received an update from York that the unit and curb will ship on July 18th. Regrettably, this means that there will be at least 2 more weekends without A/C at St. Raymond Church (chapel A/C is still working).

In the meantime, I am so VERY sorry for the HEAT! Until then, if you think it will be too hot, please come to one of the Masses at St. John of God instead (only 4.5 miles away). Fr. Cesar and I WILL continue to offer Mass in St. Raymond Church at the appropriate times.

Pray for cooler weather and lower humidity!!!!

God bless you.

—Fr. King

P.S. The updated numbers for the 2024-25 fiscal year are in the weekly collection section of the bulletin.

The Conference of St. Vincent de Paul (SVdP) at St. John Neumann Parish is a non-profit, lay organization. Our Society is an international Catholic voluntary organization designed to eliminate poverty and address social injustice in all forms. Our mission is to provide services to anyone that reaches out and is found to be in need. According to our Rule Book, “No work of charity is foreign to the Society” (Rule 1.3). A Vincentian initially makes contact to our neighbors after retrieving a telephone message for assistance. A telephone intake begins the process followed up with a home visit. Each home visit begins and ends with a prayer. We provide any service to those in need by addressing spiritual, social, mental, physiological and/or material issues. Our assistance in the short term may be to offer our neighbors clothing, food, housing, healing or assist them with bills that need to be paid. We will then help them to start planning a path to success. As Vincentians, we will continue to follow-up with our neighbors in effort that they are able to sustain independence. As Vincentians, we pray that the Holy Spirit may guide us during our visits and make us channels for the peace and joy of Christ” (Rule 1.7). Our long-term goal is to work to eliminate our neighbor’s poverty through systemic change.

We encourage new friends to join our Society. If you are interested in helping others, developing and encouraging the growth of spirituality, and want to be involved with a wonderful group of like-minded individuals, please contact us.

Please call us (609-884-1656 x315) if you have any questions about joining our group or if you know someone who needs assistance.

DIOCESAN INITIATIVE

The Parish of St. John Neumann is on a journey to know, love, and serve Christ in our parish community. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

The very first step in this process involves **assessing our greatest strengths and opportunities**, and that is where the **Disciple Maker Index (DMI)** comes in! The DMI is an important survey tool that invites you to reflect

on your discipleship journey here at The Parish of St. John Neumann. The Disciple Maker Index is designed to:

- Invite parishioners to reflect on their journey of discipleship.
- Enable parish leadership to make data-driven decisions.
- Help parishioners grow in their faith.

The 10–15-minute survey can be accessed through an online link **from July 30th thru September 3rd** and will ask you to reflect on your own spiritual growth and enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ. All responses will be confidential, and the parish will only receive information about the community as a whole. We will share the link with you a bit closer to the launch of the survey. Paper surveys will also be available for those who do not have the ability to complete the survey online.

Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.

Every parish in the diocese is asked to participate in the Disciple Maker Index (DMI) effort. The best "picture" of where we are as a parish will come by the highest number of participants.

Thank you in advance for helping with this important project and please continue to pray for this intention and for the growth and protection of our parish.
