

## Eucharistic Ministry at Mass

A Eucharistic Minister prayerfully assists the Priest by serving the Body and Blood of Christ to parishioners and visitors that attend Mass at the Parish of St. John Neumann. This ministry should show respect for the Most Holy Eucharist by their demeanor and attire including the way the consecrated bread and wine is handled. It will bring blessings and great joy to yourself and to those you serve. There is training and some necessary requirements including Parish membership, a Catholic in good standing and a faithful communicant. If you have the calling for this ministry or have more questions, please contact Janet Neill at 609-889-0828
