

Pro-Life

Our main objective is to get information out there about Pro-Life events, news, and political action calls. We administer any Diocesan Pro-Life programs and foster awareness of pro-life issues from natural conception to natural death. We strive to keep parishioners and community informed of upcoming legislation and sponsor prayer programs for a variety of Pro-Life issues. We are annually involved with The Good Council Home Walk-a-Thon, the Life Chain in Rio Grande, with the January March for Life and other fundraisers during the year. Our group is small but has been vibrant for a number of Years. New members would be greatly appreciated. For more information call Mike Beck at 609-889-5037.
