

See you in the pews!

Thank you, Father Soprano, for all you have done to make our parish our home!

It is with more fond memories than I can even count that I am reaching out to you, my parish family, to let you know I will be moving up by my dad's with the sale of my home. My last date as a member of our staff will be October 1st, and I will become a Shorebird after our Veterans' Day Rosary for Our Military on November 11th. That means I will see you around!

I treasure all of you and our priests & religious in my heart and cannot even begin to express my love and thanks for every amazing moment here at St. Neumann. You are truly the best, and I will miss you greatly. Please know that you are on my heart & in my prayers!

God's Blessing to You & Yours Always!

Marie
