

Rosary Makers

All are welcome to come and learn how to make rosaries and to meet the other volunteers. Our group meets at Haven House, located behind St. John of God campus, in their meeting room Tuesdays at 10 A.M. with the exception of the first Tuesday of the month. Individual instructions are given so you can learn at your own pace. Rosaries are sent to missions in many countries and are given to children and families to learn to pray to Our Lady. We also give rosaries to the United States Coast Guard base for the recruits. Our group has sent out over 50,000 rosaries to different missions. You can help us fill the overwhelming requests for rosaries by joining us. Please call Ann Mueller for more information at 609-884-1039.
