

VOLUNTEER CORPS.

The Volunteer Corps is a base of volunteers who are interested in helping on an occasional "On Call" basis with a variety of projects. These activities can vary greatly from office work, such as stuffing bulletins, to decorating St. Raymond and St. John of God, to cleaning. There may be a time when you could lend a hand in the gardens to pull weeds or plant or you could assist coordinating an event.

Please reach out to Pati (extension 302) or Marie (extension 305) at 609-884-1656 with your availability, interests, and for more information!
